

WHO WE ARE

Founded in 2024, Black Axis SMC Ltd is a premier engineering and consultancy firm transforming East African manufacturing. We're driven by our mantra: People, Passion, Pride.

WHAT WE DO

We specialize in industrial fluid, energy, and steam technologies, serving FMCG food and beverage, textiles, pharmaceuticals, and more. Our services include:

- Plant Energy Audits: Optimize steam and water systems for efficiency.
- Pump Installation & Service: Reliable pumping solutions of all sizes.
- Steam System Design: Advanced thermal solutions for manufacturing.
- Complete Skid Supply: Custom-built systems, ready to integrate.
- Spare Parts Supply: Quality components from global brands.
- Fluid Management Consulting: Tailored strategies for your plant.
- Emergency Repairs: Fast fixes to minimize downtime.
